A Moment of Silence was observed.

A motion was made by Wibbell with a second by Burt to approve the agenda. A voice vote confirmed all in favor. None opposed. Motion carried.

The committee discussed the joint co-op agreement between La Harpe CSD #347 and Dallas ESD #327.

Items discussed:

- Continuing to work as a team & building communication.
- Discussion on midseason numbers and sharing players/students – if the 7th/8th grade teams are short on players 6th grade students can move up and play both teams.
- Prediction for girls' basketball is that they will need 2 additional players. Dallas City stated that 2 additional players sounded reasonable.
- Prediction for boys' basketball – no additional players needed.
- Tryouts will be the 1st day of practice; per IESA.
- LaHarpe had not received schedules from Dallas City as of July 28th; per agreement they should have already been received. Wibbell stated he would get these to LaHarpe.
- Hopper discussed upcoming fundraisers for girls' basketball.
- Wibbell stated that open gyms had been offered to all students; thus fundraising should be open to all. This does not equate to a "spot" on the team.
- Maximum number of athletes per team would equal what is allowed at post season play per IESA.
- Minimum number of athletes per team discussed – 8 for basketball and 9 for volleyball (per grade level)
- Tryouts would be discussed among athletic directors.
- The next co-op meeting will be October 13th at 6 pm at Dallas City.

A motion was made by Wibbell with a second by Walker to adjourn the meeting at 7:02 pm.
